RE: Membership Renewal October 2009 – September 2011

I hope this letter finds you and your family doing well.

I am currently soliciting membership renewals from bi-annual members. The 416th ENCOM Association member records indicate that you are a bi-annual member.

I have been reconciling member records over the past year and verifying contact information with some of those members for whom I had email contact information. Thank you to all who have responded to my request for updates. That work is now finished.

As an organization, your membership is very important to all of your fellow members. Your continued support and participation will help the 416th ENCOM Association maintain its longevity and viability.

Lifetime membership in the 416th ENCOM Association is something you might consider this year. Your decision to become a lifetime member will make a significant contribution to your association.

Please fill out the enclosed membership renewal form and forward it with your check to me at the address above.

On behalf of the members of the 416th ENCOM Association Board I extend our sincere thanks to you for your service to the 416th ENCOM and for your support of the 416th ENCOM Association.
